1999-00 ROGAHI

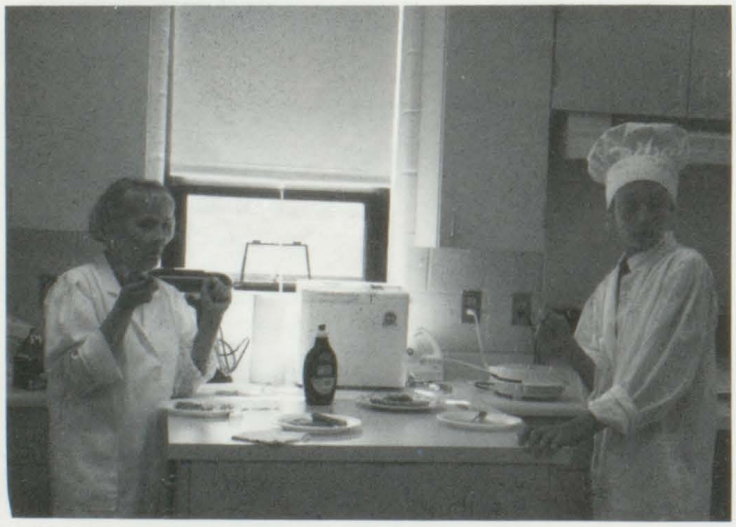

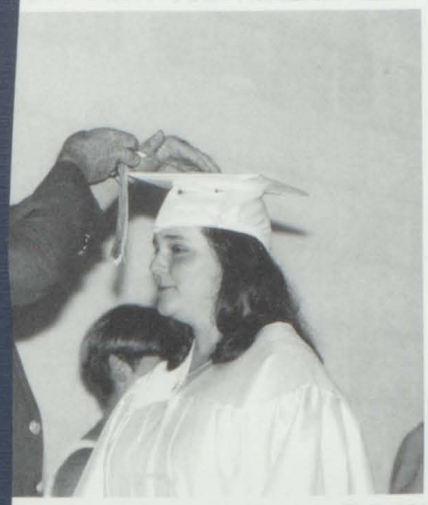

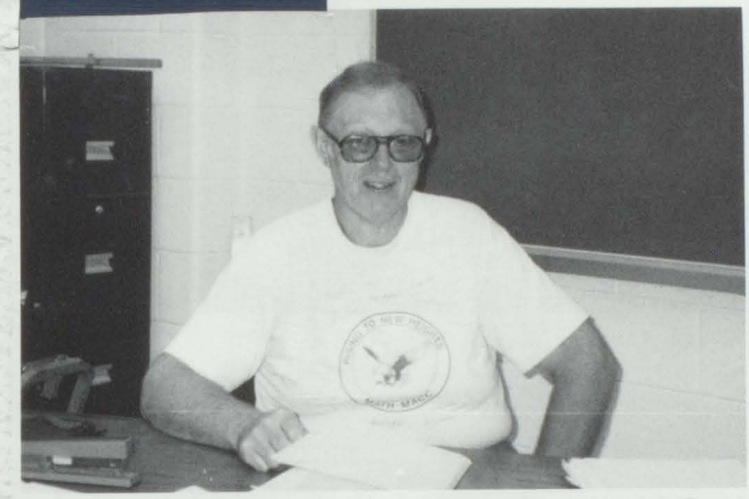

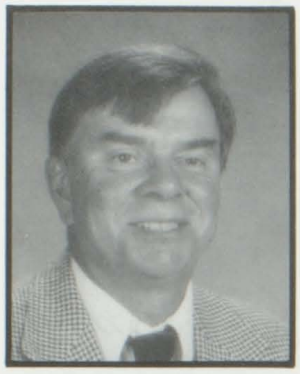

In 1967, you arrived at Rocky Gap School to begin your career as a math teacher. Since that time you have taken on many other roles — assistant principal, French teacher, BETA sponsor and MACC coach. You have taught us not only through books, but through your own personal life. You have dedicated many hours to our school. Your ideas have enriched our lives and your encouragement has helped us to achieve.

For your personal characteristics that have inspired our students, we thank you and dedicate the Two Thousand ROGAHI to you, Mr. James Sink.
